Goodbye, old friend!

Dear HP Deskjet 2540,

Type the name of your printer using the text tool

We have been together since 2019, but now it is
time to say goodbye.

Type a date

Thank you for

- the many pages printed
- the printing of black text despite an empty yellow cartridge
- the regular paper jams
- the printouts

Add your own

May your paper tray always be full and your cartridges only
ever originals.

You left your prints on my heart. <3

Best,

Aera23
